

Weimer Wows

October 15th, 2023

Snead's Snippets

Busy Week

We have had a very busy week at Weimer. With our Parent Teacher Conferences, Professional Learning Day and a broken water line, our staff and students pushed forward.

Thank you to all of our parents and families who attended conferences. I know our teachers did a great job of explaining student data and our testing results. We need you to partner with us to help your child/children to succeed. We will be conducting trainings on how to help with reading skills, math skills, and working to help with social emotional learning. Please look for how you can participate in these trainings. Again thank you.

Attendance

We continue to improve our attendance. This past week our girls had a 97% attendance rate with the boys having 92%. We need your help in getting your student to school and on time.

We need your help!

WE NEED YOUR HELP

Weimer Elementary will be having our Halloween Party and Parade on Friday, Oct 27, 2023 beginning at 12:30. We need your help by sending a bag of individually wrapped candy or Halloween toys. This will be given during our trick or treat and parade. We need parents to help decorate a class table and give out the candy.

We also need parents to help in each classroom with crafts and giving snacks out to our students.

We need the candy sent in by Oct 21, 2023.

If you are able to help, please complete the bottom portion of this form and return it to school by Friday,
Oct 20, 2023.

Preschool will have their party and parade on Thursday, October 26 at 11:30.

_____ I am happy to help in my child's classroom

_____ I can not help but I'll be glad to send candy and or toys to my child's classroom.

Name: _____

Phone Number: _____

Child's classroom teacher: _____

Fire Prevention Week

This month is Fire Prevention Month. The Saint Albans Fire Department did a presentation for our PreK kindergarten, first, and second grade students. The students were shown the fire truck , with an explanation of how it was used. They were also given firemen hats, badges, and coloring books. The students had a great time.

Book Fair

Miss Light has brought the Scholastic Bookfair to Weimer. The students were able to make a wish list then shop. Due to students not being in school, the book fair will remain open until October 18. Thank you Miss Light for bringing the bookfair to our students and staff.
